Hi Michele:

I contracted MassDEP (Angela) a week or two ago and let her know that due to vacation schedules it will be 9/8 by the time we comment; I am hoping to be beat that schedule but that is official target right now.

Let me know if it is an issue for CNB. Sorry we are tardy. We have had lots of turnover on team and boy, is this one enormous document! Going to do some re-arranging of tasks to make sure we are more able to deal with these kinds of document reviews going forward.

Thanks

Dave

Have you submitted your comments on the Phase III yet and/or when do you anticipate they will be in?
